Director,

Central Intelligence Group.

My dear General Vandenburg:

There has been received letter of your Executive Officer, dated August 22, 1946, requesting the assignment of the designating symbol "CIG" for use by the Group in connection with the consecutive numbering of its contracts, bills of lading, transportation requests, and tax exemptions certificates.

In order that the identity of the Group would not be clearly revealed by the true initials of the organization, it appears desirable to assign the symbol [ ] for the purposes mentioned above in lieu of the symbol requested. Said symbol was informally stated to be acceptable to your office.

The approved symbol [ ] will not be included in official lists circulated by this office.

Sincerely yours,

/s/ Comptroller General  
of the United States
